

## **PREFACE**

Free and fair elections are the foundation of a healthy democracy. The State Election Commission is the Constitutional body responsible for conducting and supervising elections to the local bodies in the State. Conduct of elections to the Panchayati Raj Institutions is a gigantic task as such elections involve making arrangements for 2.93 crore electors, for elections to about 1.30 lac seats of Panchas, Sarpanchas, Members, Chairpersons and Vice Chairpersons of 33 Zila Parishad, 248 Panchayat Samities and 9156 Gram Panchayats.

The Notification for general election in three spell for all Panchayati Raj Institutions, except 10 Gram Panchayats was issued on 07.01.2010. The election of remaining 10 Gram Panchayats will be held after completion of their due period of five years.

I am pleased that State Election Commission has prepared a detailed report of these elections held in January and February, 2010 in three volumes. The reports focusing on various aspects such as reservation of seats, sex wise electorates, voter turnout and category of elected persons, including important information regarding the women elected candidates on un-reserved seats.

I would like to put on record my appreciation for the assistance rendered for successful organisation of the elections to Shri R.K.Jain, the then Secretary, Shri R.K.Pareek Deputy Secretary, Shri Opendra Kaushik, Statistical Assistant, Shri Sanjeev Sinha and Shri Rajeev Luhadia Assistant Programmer and other members and officials of the Commission, as also for bringing out the report.

This first volume deals with the elections to the Zila Parishad. I hope that this publication will be useful to all, especially political parties, policy planners, scholars, organisations and institutions etc.

The Commission would welcome suggestions for improving the quality and coverage of the information and process content.

## **AN OVERVIEW OF PANCHAYAT ELECTION IN RAJASTHAN - 2010**

### **1. INTRODUCTION**

The State Election Commission (SEC), Rajasthan was constituted in July 1994 under Article 243 K of the Constitution of India. The SEC is a single member Commission headed by the State Election Commissioner. It has a Secretary who is also the Chief Election Officer for the State. The Commission discharges its constitutional duty by way of preparing electoral roles and holding elections for Panchayati Raj Institutions and Municipal bodies.

Elections to Panchayati Raj Institutions (P.R.Is) are being held in Rajasthan since 1960. The first election was conducted in 1960 by the Panchayat Department. Thereafter, the 2nd, 3rd, 4th and 5th elections in the years 1965, 1978, 1981 and 1988 respectively were conducted by the Election Department. The 6th, 7th and 8th General Elections to the PRIs were conducted by the SEC in 1995, 2000 and 2005. The 9th General Elections have been conducted by the SEC in January and February, 2010.

### **2. DELIMITATION AND RESERVATION OF SEATS**

The task of conducting elections commences only after delimitation of PRIs at different levels and with proper reservation of seats as provided by law. Every Panchayati Raj Institution is divided into territorial constituencies known as "Wards" in Panchayat Circle and Constituencies in Panchayat Samiti or Zila Parishad. The seats from wards and constituencies and post of Chairperson of PRIs are reserved for SC, ST, OBC, and Women in accordance with law. The task of delimitation and reservation of seats is under the State Government.

### **3. CONSTITUENCIES**

Rajasthan has a three-tier system of Panchayati Raj with 33 Zila Parishads (District level), 248 Panchayat Samities (block level) and 9166 Panchayats

(village level, comprising of a village or a group of villages). Each Zila Prishad has territorial constituencies.

Similarly, Panchayat Samities also have territorial constituencies. The 248 Panchayat Samities are divided into 5273 constituencies at present.

Each Gram Panchayat has been divided into wards. The 9166 Panchayats have 104937 wards at present.

#### **4. ELECTION MACHINERY**

**CEO:** Chief Electoral Officer, who is also Secretary of the State Election Commission, supervises the preparation of electoral rolls and conduct of election in the State under general superintendence, control and direction of SEC.

**DEO:** For each district in the State, the Commission in consultation with the State Government, has designated the District Collector as District Election Officer (DEO). He coordinates and supervises the work of preparation of electoral rolls and conduct of election under general superintendence, direction and control of SEC and CEO.

**ERO:** For preparation and revision of electoral rolls, Electoral Registration Officers (EROs) have been designated by the Commission in consultation with the State Government. Assistant Electoral Registration Officers have also been appointed by the Commission to assist the ERO.

**RO:** For conduct of elections to Panchayati Raj Institutions at different levels, Returning Officers (ROs) are appointed. For election to Zila Parishad members and Panchayat Samiti members, Assistant Returning Officers are also appointed to assist the RO.

For elections of Pramukh, Up-Pramukh and Members of Zila Parishads, District Collectors have been appointed as Returning Officer in their respective

districts by the Commission. To assist the R.O., more than one Assistant Returning Officer, like ADM, SDM etc. are also appointed.

The Returning officers for conduct of election to other Panchayati Raj Institutions viz. Members Panchayat Samiti, Pradhan, Up-Pradhan and Panch/Sarpanch and the Assistant Returning Officers for election of Panchayat Samiti members are appointed by the concerned District Election Officers.

**PO:** For General elections to the office of Panchayat Samiti / Zila Parishad Member in 2010, a five member polling party comprising of one Polling Officer and four Assistant Polling Officers was deputed for one polling booth. Similarly for Panch / Sarpanch election, a 5 member polling party as above for a polling booth was deputed. The same polling party has been assigned the task to conduct poll for Zila Parishad / Panchayat Samiti members and Panchas/Sarpanchas. In addition, one Returning Officer for a Panchayat to conduct the elections of Panch/Sarpanch/Up-Sarpanch was also appointed at the Panchayat headquarters.

Polling Officers and Returning Officers for Panch/Sarpanch elections were imparted two trainings. Other members of polling party were also imparted training.

## **5. ELECTORAL ROLLS**

Electoral rolls for Panchayat election have been prepared ward-wise. Qualifying date for the registration as elector in rolls was 1.1.2009. The electoral rolls for the following have been prepared :-

- (i) Ward,
- (ii) Panchayat,
- (iii) Panchayat Samiti constituency and
- (iv) Zila Parishad constituency.

The Electoral roll of the wards in a Panchayat have been deemed as electoral roll of that Panchayat. Similarly, electoral rolls of all the wards/Panchayats

comprised in a Panchayat Samiti/Zila Parishad constituency have been deemed as electoral roll for that constituency.

The electoral roll for wards were prepared by taking the relevant electoral roll of the State Legislative Assembly Constituency as a base, and also by making door to door survey, manuscripts of electoral rolls were prepared by enumerators after taking necessary additions, deletions and corrections in the State Assembly Constituency rolls. These were then read in the Ward Sabha meetings specially organized for the purpose. In 7554 Gram Panchayats, the draft publication of rolls was made on 16.11.2009, claims and objections were received up to 25.11.2009 and rolls were finally published on 10.12.2009. In remaining 1612 Gram Panchayats, draft publication was made on 30.11.2009, claims and objections were received upto 9.12.09 and rolls were published finally on 21.12.2009.

The Commission had taken steps to ensure the correctness of electoral rolls and issued instructions to the District Election Officers to seek active co-operation of recognized political parties at the time of draft publication. A separate and complete set of finally published electoral rolls was also supplied to every recognized political party. The intention of supplying copies of rolls to the political parties was to invite suggestions for correcting and updating of the rolls.

The Commission issued orders to supply forms for inclusion, deletion and correction of names in the electoral rolls, free of cost, to the public in order to ensure their maximum involvement. Although electoral rolls were prepared and finally published on 10.12.2009/21.12.2009, however, the process of inclusion, deletion and correction of entries in the roll is a continuous process. The SEC has also issued advertisements in news papers for creating awareness in the public so that concerned persons may apply to EROs for addition, deletion and correction in the rolls even after the final publication of rolls. Roll Observers were also appointed by the SEC to look after the process of continuous

updatation. Total electorate of PRIs at the time of notification of election on 7th January, 2010 were 299.44 lakhs out of which 157.05 lakh were male and 142.39 lakh were female.

## **6. POLLING STATION/BOOTHES**

Polling stations are normally set up at Panchayat headquarters. Each Panchayat has a polling station but in case of large number of voters, additional booths are set up. Ordinarily, a polling booth is set up for about 1100 voters covering 4 or 5 wards of a Panchayat. A total of 33163 polling booths were set up during these elections. Normally polling stations were established in government buildings.

## **7. POLLING MATERIAL**

For the first time Electronic Voting Machines were used in PRI General Elections, 2010. Considering the availability of EVMs, these were used in elections of Zila Parishad Members and Panchayat Samiti Members in three districts, namely Kota, Bharatpur and Sikar. EVMs were used in election of two Gram Panchayat in Dausa district also. For the remaining seats/posts ballot boxes available in the State were used.

Forms, envelopes, and stationary articles and books were printed/procured from the Rajasthan State Cooperative Press. Indelible ink, symbol blocks and arrow cross seals were purchased from the firms approved by the Election Commission of India. Other necessary articles for the use of polling parties etc. were procured by the District Election Officers at their own level for which budget was allotted by the SEC.

70 types of statutory and non-statutory forms (approximately 120 lacs) and 50 types of envelopes (approximately 25 lakhs) and books for the use of polling personnel, DEOs and Returning Officers were printed by the Rajasthan State Cooperative Press.

## **8. ELECTION PROGRAMME**

Notification for election of Zila Parishad members, Panchayat Samiti members and Panchas and Sarpanchas was issued by District Election Officers on 07.01.2010. As per the election programme, nominations for ZP/PS member were taken from 07.01.2010 to 09.01.2010. Scrutiny of nomination was done on 11.1.2010 and the last date of the withdrawal of candidature was 12.1.2010. For the election of Panchas and Sarpanchas this was done on 21.01.2010, 30.01.2010 and 03.02.2010 i.e. in three spells in each district except Banswara, Dungarpur and Jaiselmer. Poll for PS Members, ZP Members, Panchas and Sarpanchas took place in three spells in 30 districts and in two spells in three above mentioned districts. In the first spell, poll for ZP member and PS member was held on 20.01.2010, 29.01.2010 and 02.02.2010. For Panchas and Sarpanchas, the poll dates were 22.01.2010, 31.01.2010 and 04.02.2010 respectively. Election of Up-Sarpanch was conducted on the day following that of election of Panchas and Sarpanchas. In the first spell 3420 Panchayats went to the poll and in the second spell 2951 Panchayats and in the third spell the remaining 2785 did do. Fresh poll/adjourned poll except 2 Gram Panchayats of Dausa district was held on 7.2.2010. In two Gram Panchayats of Dausa district fresh poll was conducted on 19.2.2010 .

Elections for Zila Pramukh of all the Zila Parishads and Pradhans of all the Panchayat Samities were held on 10.2.2010. Election for Up-Pramukh and Up-Pradhan were held on 11.02.2010.

## **9. ELECTION SYMBOLS**

Two types of election symbols have been used viz. reserved symbols and free symbols. Reserved symbols are for recognized political party candidates and free symbols for other candidates.

For the convenience of voters and to avoid confusion the SEC has specified separate election symbols for each category of elections. Thus a set of 20 + 20 free symbols each were specified for elections to Panch, Sarpanch, member

P.S. and members Z.P. Parties recognized as national party by the Election Commission of India are also recognized for the same purpose by SEC for elections of Panchayat Samities and Zila Parishads.

## **10. POLITICAL PARTIES**

Elections of Panchas and Sarpanchas were held on non party basis, while the elections to Zila Parishads and Panchayat Samities were held on party basis.

In case of a candidate set up by a recognized political party in PS/ZP members' elections, he was required to subscribe his nomination paper by one proposer from the same constituency but in case of an independent candidate the nomination paper was to be subscribed by 5 proposers being voters of the same constituency.

## **11. SCRUTINY OF NOMINATION PAPERS**

Many candidates file their nomination papers in the hope of getting authorization letters from political parties but if they fail to do so and if their nomination papers have been subscribed by only one proposer, then such nomination paper is liable to be rejected. Due to this provision a large number of nomination papers were rejected i.e. a total number of 6188 out of 26533 (23.32%) nomination papers were rejected in PS members' election held in 2005, whereas 6748 out of 27316 (24.70%) nomination papers were rejected in 2010. Similarly in ZP members election, 1318 out of 5107 (25.81%) nomination papers were rejected in 2005 whereas 1374 out of 5241 (26.21%) nomination papers have been rejected in 2010.

## **12. UNCONTESTED ELECTION**

In the year 2000 a total 402 PS members and 108 ZP members were elected uncontested, In 2005 election 127 PS members and 39 ZP members were elected uncontested whereas in 2010 election 127 PS members and 27 ZP members were elected unopposed. Two seat of PS member remained unfilled in Ajmer and Barmer district.

### **13. BALLOT PAPERS**

Ballot papers for ZP/PS members elections have been printed, after the allotment of symbols, with the names and symbols of the contesting candidates. The printing of ballot papers was arranged by State Election Commission through the District Election Officers, by private printing presses. Approximately 6.20 crore ballot papers were printed. Paper for printing ballot papers and other necessary material was procured by the Department of Printing and Stationery. The colour of ballot papers for Zila Parishad was yellow and that for Panchayat Samiti members was blue.

For Panch/Sarpanch election, ballot papers with symbols but without names were printed in advance. For Sarpanch the colour of ballot paper was white, while for Panch it was pink. These ballot papers were serially numbered. Extra slips of ten symbols each on white paper and pink paper were also printed. All the ballot papers for Panch/Sarpanch elections were also printed through DEOs by private Printing Presses.

### **14. TRAINING**

Training modules for polling parties and R.Os. has been prepared at SEC level, which was used in training sessions at district level.

### **15. BALLOT BOXES/EVMs**

Ballot boxes/EVMs were properly sealed in the presence of the candidates or their agents. Pink paper seals with mono-print of State Election Commission were printed and used in sealing of ballot boxes/EVMs. The pink paper seals were also serially numbered and their account was maintained. For ZP/PS member elections which were held simultaneously, common ballot boxes were used, however separate sets of EVMs were used in each polling booth in ZP Member and PS Members elections.

## **16. COUNTING OF VOTES**

In ZP/PS members election, counting of votes was undertaken at district headquarters on 8.2.2010. Where EVMs were used, polling station wise counting was done. But where ballot boxes were used, counting of votes was done by mixing of votes polled at all the polling booths in a constituency. In this way, counting of votes took place in two phases. In the first phase, number of ballot papers in the ballot boxes at a polling booth was ascertained and in the second phase, candidate-wise counting of votes was made.

## **17. FRESH POLL**

Fresh poll/adjourned poll took place at 9 polling booths for PS/ZP member elections in 2010 as against 32 during the elections held in 2005. Fresh poll/adjourned poll in Panch / Sarpanch election took place at 43 polling booths as against 58 booths in 2005.

## **18. STEPS FOR FREE AND FAIR ELECTIONS**

- (i) **Code of Conduct:** With a view to provide a level playing field and ensuring free and fair elections, the Model Code of Conduct for the candidates and political parties was adopted with the agreement of the recognized political parties. The Code was enforced from the day of announcement of election programme, i.e. 21.12.2009 and remained in force till the completion of election of Up-Pramukh/Up-Pradhan. The Model Code of Conduct contains provisions which are basically the same as contained in the Model Code of Conduct prepared by the Election Commission of India.
- (ii) **Law and Order:** The Commission issued directions to the law and order authorities to maintain public peace during elections. Hyper sensitive and sensitive booths were identified. Sufficient police force was deployed in polling areas and extra police force was deputed in

sensitive areas. Zonal Magistrates were appointed to keep watch and maintain law and order.

- (iii) **Electoral Offences:** The provisions of electoral offences as provided in the Representation of People's Act, 1951 have been adopted in the Rajasthan Panchayati Raj Act. Wide publicity was given to these provisions to create public awareness.
- (iv) **Supervision by Observers:** SEC had appointed 40 observers to conduct free and fair general elections during 2005, in the State. The major duties given to these Observers were that they would act as a reliable and independent source for feed back information from the field to the SEC.
- (v) **Entry into polling stations and counting centers:** The State Election Commission strictly banned the entry of unauthorized persons into the polling station and counting centres. Videography, photography and mobile phones were banned in counting hall and at polling station.
- (vi) **Agent:** Contesting candidates in ZP/PS member elections were allowed to appoint election agents and polling agents. SEC restricted the sitting Ministers, MPs, MLAs, Chairpersons of Municipal Bodies, Pradhans, Pramukhs and persons having security cover; from being appointed as Election Agents, Polling Agents and Counting Agents. Candidates for Sarpanch elections were also entitled to appoint polling agents but a candidate for Panch election was not entitled to appoint any agent.

## **19. CHANGES IN ELECTION LAW**

Some important features of changes in these election are given below:

- (i) Identification of voters, on the basis of EPIC or any document having photo, as notified by the SEC.

- (ii) Provisions for use of EVMs in the PRI election were made.
- (iii) Provisions for vote by post have been introduced in Zila Parishad Member election and Panchayat Samiti Member election.

## **20. COMMISSION'S CONTROL OVER THE ELECTION EXPENSES**

As per amendments made recently in the Panchayati Raj Act by the State Election Commission has been vested with the powers to impose restrictions on the use of vehicles, loudspeaker and on displaying of cutouts, hoardings, posters and banners by the contesting candidates. Therefore, the SEC issued directions to fix the maximum number of vehicles which can be used by the candidates during their election campaign, imposed restrictions for the use of loud-speakers and fixed the amount of maximum expenditure which can be incurred on printing of posters, banner etc. If any candidate violates the above directions, the sub divisional officer of that area may file a complaint against such candidate in the competent court.

## **21. RESTRICTON ON CRIMINALISATION OF POLITICS**

Provisions to disqualify a person to contest election on the ground of conviction exist already in R.P. Act, 1951 but there was no provision in R.P. Act, 1951 to disqualify such persons, who are habitual offenders and serious cases are pending against them in the courts. On the recommendation made by the SEC an important amendment was made in December, 1999 in the Raj. Panchayati Raj Act, 1994 which provided that if any person is under trial in the competent court which has taken cognizance of the offence and framed charges against him of any offence punishable with imprisonment for five years or more, he will be disqualified from contesting the election.

## **22. ALTERNATE POSTAL ARRANGEMENT**

The SEC made suitable arrangements with Rajasthan State Roadways Transport Corporation to deliver election mail to the District Election Officers. A large number of important directions, circulars, letters are issued by the Commission at the time of elections. When these instructions were dispatched and sent through Post Offices, there was no surety that they would reach all the destinations safely and in time. In this manner all communications of the Commission issued on any day reached all the DEOs on the following day. This arrangement minimized the use to special messengers and saved considerable government expenditure. This system of delivery by cam bag by RSRTC buses was also adopted by some of the districts for delivery of papers amongst ROs and Tehsildars.

## **23. ELECTION EXPENDITURE**

There has been considerable rise in price index since last general election. An estimated expenditure of Rs. 58.74 crore on conduct of these 2010 elections, was incurred.

## **24. IMPORTANT PUBLICATIONS**

After coming into force of the Rajasthan Panchayati Raj Act and Rules 1994, the SEC prepared a number of books for use of offices and polling parties for the elections held previously. Many amendments in law have taken place since then. Therefore, the following books for the use of polling personnel and election related officers have been prepared

1. Margdarishka for Returning Officers of Panch/Sarpanch elections and for polling parties.(where ballot boxes are used).
2. Margdarishka for Returning Officers of Panch/Sarpanch elections and for polling parties.(where EVMs are used).
3. Compilation of important circulars of SEC.
4. Manual of Panchayati Raj Election Law.
5. Check List for election related officers at district level.
6. Booklet showing proformas of statistical statements.

7. Model Code of Conduct.
8. Pamphlets showing valid and invalid votes.
9. Statistical report for Panchayat General Election, 2005.
10. List of all elected ZP / PS member with their margin of votes in 2005.
11. List of all elected Sarpanch as in 2005.

## **25. SOME SUGGESTIONS RECEIVED BY THE COMMISSION**

- (i) During this Panchayati Raj Election, it was felt that the present pattern of conduct of Panch / Sarpanch elections, requiring the polling parties of receiving nominations, conducting the poll and counting, in continuity should be reviewed. Instead of this present pattern, nominations, polling and counting processes should be dealt with separately by separate sets of officers/officials and at sufficient time interval as in the pattern of Panchayat Samiti / Zila Parishad Member Elections.
- (ii) While the elections to Panchayati Raj institutions may be held in two or three spells, the polling parties should be separate for each spell.
- (iii) EVMs should be used in PRIs elections.
- (iv) It is felt that more emphasis should be given on the training of Returning Officers, Assistant Returning Officers, Polling personal and other concerned staff,

It is hoped that the publication of this document while providing information to all concerned, will also provoke suggestions for improvement of the electoral process in future.
